"Shuffleboard Is Not A Matter Of Life And Death;
It’s More Important Than That!"

Charlie Griffin.

Photo above is of Charlie taken in Lindsay, ON at the 10th International Shuffleboard Event in 1990. Canada, America and Japan competed; Japan had two full teams, that is 12 Men and 12 Women, as did the US and Canada. At that time Frank Willson was the CNSA President; Harold Edmondson the US National President and Hisashi Sogabe the Japanese President.

I last met Charlie, an American, while shuffling in Hendersonville, NC in 2005. He continues to be an enthusiast.

For the record the Canadian Men and Women placed first in this most memorable event. Charlie had the best record for the American Men with 10 Wins.
