

From Harold Comeau of Pioneer Creek 2013 01 21.

Pioneer Creek held an "Olde Tyme" Shuffle Tournament on Saturday January 19th to celebrate 100 years of shuffling in Florida. Tournament director was Cheryl Conkle. Approx 30 people dressed in period clothes, and many in the park came to watch.

We had 24 participants. The format was draw doubles. Trophies were awarded for 4 main and 4 consolation places.

Every-one brought snacks and finger food for lunch.

Everybody enjoyed themselves and the other residents in the park commented on our outfits.

Good comments!

As we only have six courts it was not possible to invite other parks.

We hope other clubs will have their own tournament celebrating 100 years of shuffle in Florida.

It was a lot of fun just getting the costumes together and seeing them on the shuffle court.

PS the local paper is running an article a week from Thursday, I will send you a copy
