## Shuffleboard association tournament wraps up

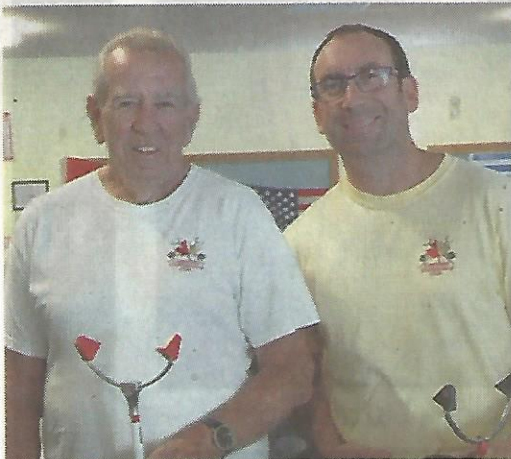

The Coldwater Shuffleboard Club recently hosted a Canadian National Shuffleboard Association tournament. Twenty-eight teams competed at the amateur level, with another 28 teams competing at the expert level, over the three-day period. Teams travelled from many parts of Ontario, with one from out of province and one from the United States.

Coldwater club teams walked away with five of the possible eight cash prizes at the amateur level.

The winners were Bob Graves and June Stewart in second place and Bill Kinnear and Geordie Archer in third. Coldwater teams took three of the four winning positions on the consolation side. Gary Pipher and Iris Beach topped the list in first place, Deborah Lane and Ian Lane placed third and John Lynham and Michael Lynham were fourth-place winners.

The club congratulates everyone, including winners who were first-time participants.
