From Stan McCormack. The Shuffler

Subject: Accepting the Offer of The Shuffler. (CD Spring Mtg.2009)

On behalf of The Shuffler, I would like to thank you Glenn for your gracious remarks wherein you thanked Alf and I for transferring our HOF digital files, narratives and photos, to the CD Webmaster. As you correctly brought to the attention of the Membership, the Virtual HOF concept was pioneered by The Shuffler when the CNSA HOF was created. We believe the District is the best body to manage the Virtual Hall of Fame.

We would also like to thank Larry for his folksy but oh so effective remarks wherein he provided a summary of how the HOF began; reminding the Membership of the HOF Room at Winter Haven with its Wall Mounted photos; reminding them of the HOF Scrap Book, hard copy of the narratives and photos; and finally making the link so effectively to the utility of the Virtual Hall of Fame. He went on to talk about the success of the HOF Classic. These very significant aspects of Shuffleboard were born on Larry's watch and are now nurtured by Larry and Ruth and his team of supporters.

Glenn: The demonstrated support by you and your Board for Larry and his team is evidence that the CD is in *GOOD HANDS!*

Stan of The Shuffler. 2009 03 07.
