East Challenge Team arriving team gaining strength

More of the East team arrived last night and today.

Everyone practiced in the morning at GVP and in the afternoon at Muni. We also met some of our competitors on the "West Team".

Besides the three presidents, pictured is Mariylnn and Rich Phifer below, Gary Orvis, below left, Cecile Messier below, Rosaire Cote below right, below right Roy Babcock, and to the far right the moral leader of the team Gus Bondi. Gus has promised some exciting games during the "Challenge" and pledges the East will not be a push over for the West. Tonight both teams were treated to a pot luck dinner in Sun City. There was plenty of great food, friendly kidding and for some more practice.

8AM TOMORROW IS THE OPENING CEREMONIES WITH THE FIRST MATCHES TO START AT 8:30. FOUR GAMES WILL BE PLAYED TOMORROW WITH EACH PERSON PLAYING TWO GAMES.
