

## GERMAN PRESIDENT HUSSMANN'S REMARKS:

### GERMANY JOINS THE ISA ON THE OCCASION OF THE 25<sup>TH</sup> ISA.

At the Windup Banquet of the 25<sup>th</sup> ISA Meet in Lakeside, OH, 2006, The Shuffler took the opportunity to speak with the President of the German Shuffleboard Association ~~ Dieter Hussmann. We began the conversation by expressing our delight that the 4 German players had entered the Win Column!!

Dieter responds: "Yes, it is so exciting that each member of the German entry (UN Team) has managed to make their 1<sup>st</sup> win. Kerstin won her last match to-day and Birgitt managed to make her 2<sup>nd</sup> win to-day and we are very glad that it worked out so fine for Germany, and we would like to thank all the shufflers and everyone who contributed to our first appearance here and we are really glad to be here at the 25<sup>th</sup> International Shuffleboard Tournament."

Stan: I would just add a rejoinder to that; we are so glad to have Germany participating, and of course so glad that the German Players have done so well. Thank you so much for coming and we look forward to your participation in Canada in 2007.

*Stan's Note: Later in the evening, THE SHUFFLER presented a Shuffler cap to Dieter and Sebastian. The German children accompanied their parents to the event and were given instruction in Shuffleboard.*
