

RALPH DAY

August 18, 1929 – February 21, 2017

Ralph is, and will forever be, one of the great cornerstones in the foundation of our Avon Park Senior Activities Center.

When we think of Ralph, we think first of the tireless effort that he devoted to our club. His work and guidance has been a major influence in making our Club into what we are able to enjoy today.

Ralph's friendly nature and selfless attitude will never be forgotten.

Ralph was one of the finest gentlemen you'd ever meet.
